

Hello Everyone,

In these difficult times, we thought to keep you a bit busy and train your brain a bit. So here are two pages of puzzles. They should be relatively easy. Grap your cup of tea or coffee (it is decaf for me, I never got used to the English tea even though I came here 30 years ago) and a pen and have fun! And, if you want to start with a good physical exercise, then I challenge you to climb 100 stairs!
