Highlights of the Month

YMCA ST PAUL'S
YOUTH PROJECT

Hayes/Ealing

Our partners at A2Dominion very kindly donated 36 new footballs for our football project at Rectory Park. These were gratefully received by the young people who will be putting them to use during sessions. Despite the weather getting colder, we're not letting our spirits freeze! All of our football sessions continue to be at full capacity whatever the weather!

Walthamstow

We've launched a four-week health and fitness programme with Project Zero Youth Centre, supporting young people to build healthier, more active lifestyles. Participants have been making great use of the YMCA gym facilities and getting involved in interactive sessions on creating balanced, nutritious meal plans. It's been fantastic to see their enthusiasm and progress already!

RAF Northolt

On the 5th, we enjoyed the annual bonfire and fireworks at RAF Northolt, always a highlight for our young people, with a brilliant 20-minute display. We also marked Remembrance by making origami poppies (though our folding skills could use some practice!). And a big congratulations to one of our young people for winning the national Airplay pumpkin carving competition!

Islip Manor High School

Looking back on an October half-term laser tag trip that was pure fire! We saw courage, strategy, laughter, and some very sneaky moves! Big respect to all our young people for throwing themselves into the challenge. These experiences are about more than just fun, they're about building strength, community, and resilience. At YMCA St Paul's Youth Project we make it happen!

November

Did you know?

November was originally the ninth month in the Roman calendar, which is why its name comes from novem, meaning "nine" in Latin.
